The firm has also extensive experience in contentious practice of intellectual property enforcement and litigation, which we believe valuable for assisting client in protecting their IP assets. We have been involved in important cases before the court concerning patent, trademarks, industrial designs and copyrights litigation.

We have also assisted and represented clients in their IP litigations relating to trademark cancellations and infringements

In the field of patent litigation, our IP practice group have assisted and represented a leading Korean company manufacturing home appliances in patent cancellation case and enforcement. We have also assisted and represented clients in their IP litigations relating to trademark cancellations and infringements, such as: a leading US Company in tires industry on trademark infringement cases; a leading European companies in cosmetic industry on trademark cancellation cases; a leading German Company in chain saw industries on trademark cancellation and infringement cases; a leading fertilizer company in Indonesia on trademark cancellation cases; a leading apparel industry company in Indonesia on trademark cancellation case; a leading food and beverage company in Indonesia on trademark infringement cases;

Our IP practice group has also experience in litigation relating to industrial design and copyright matters. We have assisted and represented a leading German Company in chain saw industries on the industrial design cancellation cases.
