

Lubis, Santosa & Maramis provides a full range of quality corporate and commercial legal services. Over the years, we have provided assistance to and maintained relationships with a wide range of clients throughout Indonesia and abroad including individuals, private and public companies, multinational corporations, state owned enterprises as well as governmental agencies and institutions in relation to their corporate and commercial transactions. We have a team of lawyers with expertise and experience in different types of areas ranging from corporate, investment, banking, finance, capital market, energy and natural resources, infrastructure, real estate and construction as well as all types of commercial transactions.

We have provided assistance to and maintained relationships with a wide range of clients throughout Indonesia and abroad

In the Asia Pacific Legal 500 (2006/2007 edition), Lubis, Santosa & Maramis's (formerly Lubis, Santosa & Maulana) has been mentioned as one of recommended law firms in Indonesia for its Corporate/M & A practice. The Chambers Global (2007 edition) has also recommended Dr T Mulya Lubis, Senior Partner of the firm, as leading individual in Corporate/Commercial practice and is described as the "most highly effective advocates in Indonesia" and "an invaluable lobbyist with an extraordinary profile and enormous clout".
